ABOUT US

BLEL Trading PLC is a trusted Ethiopian trading company dedicated to connecting local agricultural producers with international markets. We specialize in the export of high-quality grains and pulses, delivering products that meet global standards while creating lasting value for our customers and partners.

Our export portfolio includes green mung beans, chickpeas, sesame seeds, lentils, and a variety of other agricultural commodities sourced from reliable producers across Ethiopia. Every product is carefully selected, processed and handled to ensure consistent quality, freshness, and traceability. In addition to grains we export salt and Cattle.

OUR MISSION

Our mission is to connect Ethiopia's rich agricultural resources with global markets by supplying premium-quality products that meet international standards. We are committed to sourcing responsibly, maintaining strict quality control, and delivering every shipment with reliability and professionalism.

Through ethical business practices, customer-focused service, and long-term partnerships, we strive to create sustainable value for our clients, suppliers, and stakeholders. By continuously improving our operations and embracing innovation, we aim to contribute to the growth of Ethiopia's export sector while earning the trust of customers around the world.

OUR VISION

Our vision is to become one of Ethiopia's most respected and internationally recognized import and export companies, known for excellence, integrity, and dependable service. We aspire to be the preferred global partner for high-quality Ethiopian agricultural products by consistently exceeding customer expectations and building lasting relationships across international markets.
As we grow, we envision expanding our product portfolio, strengthening our global presence, and promoting Ethiopia as a trusted source of premium agricultural commodities. Through innovation, sustainability, and an unwavering commitment to quality, we seek to create a lasting impact on the communities we serve and the markets we reach.
